Through a grant from the New Jersey Department of Community Affairs, Office of Smart Growth, Evesham Township invites you to a Visioning Workshop where all members of the community can work directly with a multidisciplinary design team to help define a vision for Evesham's future.

Please join us at the Gibson House on one of the following days:

**Saturday, July 11, 2009 between the hours of 9:00 a.m. and 2:00 p.m.**

**Tuesday, July 21, 2009 between the hours of 4:30 p.m. and 9:30 p.m.**

The sessions will follow a drop-in format, and take approximately one (1) hour of your time. You do not need to attend both days to participate in the workshops.
